and 4 - Mt. Hood Comm.
College Planetarium
6:00pm Winter Family
Bingo Night - MPC

A Note from Sr. Kathy

Just a reminder that **there is no school tomorrow - Friday, January 15**. It is an all day Accreditation Work Day for the teachers and staff. It is my hope that everyone enjoys their four day Martin Luther King holiday weekend.

Our thanks to the many families who sent in loaves of bread and/or jars of peanut butter for **St. Michael's Church**. We were pleased to send boxes of food to St. Michael's on Tuesday. **Thanks to Mary and Mark Vidan** for driving the bread and peanut butter to St. Michael's in downtown Portland.

Tuesday night was our monthly Parent Club meeting. You will find a flyer in today's Family Envelope encouraging you to join us for a "fun raiser" for the entire family. Pizza, bingo, and

prizes! What could be better! If you can help Cathy Castellano-Smlth and Darlene Rivera, they would be so grateful! They will be purchasing prizes for the children and adults but if you have any appropriate bingo prizes at home, drop them off at school for the **Bingo Night**. Bring your family and enjoy a fun-filled family night! See you on **Friday, January 22 at 6 p.m. in the gym.**

Next Thursday, parents will receive **Progress Reports** for their children for the 2nd trimester. The following **Friday, January 29 is a noon dismissal for optional Parent-Teacher conferences**. Teachers will be contacting parents if they have concerns and parents should contact teachers if they would like an appointment.

Catholic Schools Week is February 1-5. This year's theme is "**Catholic Schools: Dividends for Life**". Enclosed in today's packet is a CSW flyer. Please encourage your relatives and friends to attend one of our three Open Houses on February 4 or 10 and March 3. Remember if you refer a family to St. Therese, you will receive a \$300 tuition credit through the **Student Referral Program**.

Please keep the the Joseph family in your prayers. Many of their family and friends live in **Haiti**. At this time, the Josephs' have not had contact with their family members since the **earthquake**. Let us all take a few minutes with our family to pray for the people of Haiti who have lost home and family due to Tuesday's disaster.

Enclosed in today's packet is your updated **Fair Share report**. Please contact Jennifer Dove-Kiltow if you have any questions. Kiltowj@nclack.k12.or.us.
