

**ANNUAL BENEFIT AUCTION
SATURDAY, MARCH 13, 2010
SAVE THE DATE!**

helping the stars of tomorrow shine today!

December 3 newsletter

DEADLINES

- We realize that this year's deadlines are very aggressive! January 12 for all class projects and February 1 for all donations toward each family's \$200 procurement requirement. Here are the reasons why:

~To receive, number, process, move and coordinate 800-1,000 items through the Development Office takes time!

~Class Projects need to be photographed for posting on the website as part of our auction marketing campaign for family, friends, grandparents and Alumni.

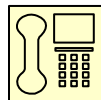

~A two week deadline has proven inefficient for getting a catalog done before the day of the auction.

~A two week deadline has proven inefficient for getting a 'Teaser Catalog' out to our auction guests and Corporate Sponsors who want to pre-shop and see what we are offering this year.

~People procrastinate

See Class Project assignments on the back!
